LB 462

CLERK: Mr. President. Read Standing Committee Report from Miscellaneous Subjects on page 754 of the Journal. LB 462 placed on General File. Signed Senator Dworak, Chairman.

PRESIDENT: We're going to have a recess until 1:30. Do you have anything to say Senator Luedtke?

SPEAKER LUEDTKE: Mr. President, may I just explain we will recess until 1:30 at which time the former State Legislators will come into the chamber. Each of you has been assigned as I understand it certain former Legislators from your districts or otherwise who have requested that you introduce them and I shall introduce you to introduce the former Legislators. That will be all we will do is complete the introduction of the former state Legislators at 1:30. I would imagine it would not last much beyond 2:00. Then we will adjourn Mr. President.

PRESIDENT: The question is shall we be in recess until 1:30. All in favor say aye, contrary say nay. We are in recess.

RECESS

SPEAKER LUEDTKE PRESIDING

SPEAKER LUEDTKE: This Legislature will come to order and we will record our presence please. Will the Sergeant-at-Arms go out into the Rotunda and get all the members in so we can get this afternoon session underway? Will all the members please take their seats and record their presence, so we can get underway. Record the presence, Mr. Clerk.

CLERK: Quorum present, Mr. President.

SPEAKER LUEDTKE: We will then proceed with the order of business this afternoon which is to welcome the former State Legislators and the Nebraska Association of former State Legislators which is meeting here today. As we see the former Legislators coming into the chamber, we will explain that the procedure this afternoon will be as it was last year. We called upon the various members of the Legislature, the present member of the Legislature to introduce the former members, some of them from their own districts, some of them from their own friends and acquaintances of the past. We are going to call upon our own members to do this at this time. I might add that we have some three committees which have committee sessions this afternoon, the Banking Commerce and Insurance Committee, Public Health Committee, and the Appropriations Committee. I am going to call on the members of those three committees to introduce those persons first. Would the Sergeant-at-Arms advise the Chair as to whether or not we have our visitors in the Chamber now, for the most part are they all in from the Rotunda? While we are waiting for some of the visitors to come in, I'm going to read a letter from one of our former members of the Legislature, addressed to Ross Rasmussen, President of the Nebraska Association of former State Legislators. Reads letter from John J. Cavanaugh, member of Congress. I promise that's the only letter I'm going to read. I don't have any more here and I won't read any more. We will now, Chair recognizes Senator Brennan.

SENATOR BRENNAN: I'd ask the Chairman to mention what district John J. Cavanaugh used to represent.
